

National Backward Classes Finance and Development Corporation PM-DAKSH Skill Training- Success Story Skill Development training programme at Indore, Madhya Pradesh

<i>Name of trainee</i>	<i>Mr. Vishal Yadav</i>
<i>State</i>	<i>Madhya Pradesh</i>
<i>District</i>	<i>Indore</i>
<i>Name of Course</i>	<i>Certificate Course-CNC Milling</i>
<i>Name of Training Institute</i>	<i>MSME Technology Centre, Indore</i>
<i>Occupation after training</i>	<i>Vishal Fab. India Ltd., Indore</i>

Vishal Yadav's journey from being a participant of PM-DAKSH training programme to working as machine operator is a good example of how skill training can help individuals achieve their career goals. He belongs to a poor family and his family income was Rs. 45,000/- per year. His family is unable to continue his study due to insufficient income. He always thought about increasing knowledge and skill so that he can also support his family. He get information about this course and took admission after completion of course and underwent training in the Certificate Course –CNC Milling job role organized through MSME Technology Centre, Indore sponsored by National Backward Classes Finance and Development Corporation (NBCFDC) under Pradhan Mantri Dakshta Aur Kushalta Sampann Hitgrahi (PM-DAKSH) Yojana, which helped him develop the skills and knowledge required to work in the manufacturing industry. After completing the training, he decided to start working as Machine Operator and got a job in Vishal Fab. India Ltd. Indore.

At present he is earning Rs.10,000/- per month and leading a better life than earlier and his annual family income has increased to Rs.1,65,000/- .Now He is very grateful to NBCFDC & MSME Tool Room ,Indore for providing the training and making him capable by enhancing his skills through which he could possible to start his professional journey. This helped him to gain self-confidence and become a successful professional technician.
