Sh. Ripan Karmakar is a graduate in commerce and an unemployed youth from West Tripura. He had a dream of becoming a successful entrepreneur in the field of biofloc fish farming, which is a sustainable and profitable method of aquaculture. He has attempted for government job but has failed to qualify for any.

He attended the awareness camp organized by Tripura OBC Cooperative Development Corporation (TOBCDC) and came to know about the various schemes of National Backward Classes Finance and Development Corporation implemented by TOBCDC in the State of Tripura for the welfare of Other Backward Classes community.

He then approached TOBCDC for financial assistance to start his biofloc fish farming. He was sanctioned a loan of Rs. 3.00 lakhs under the Term Loan scheme of National Backward Classes Finance and Development Corporation (NBCFDC).

With the help of the loan, he bought the necessary equipment and materials for biofloc technology and followed the scientific guidelines and best practices for biofloc fish farming. As per the statement of Mr. Karmakar, now he earns Rs. 40,000 monthly from the biofloc fish farming. He was very happy and satisfied with his achievement. He thanked the TOBCDC and NBCFDC for providing him the opportunity and support to start his own business and earn decently.

Ripan Karmakar is an inspiration for others who want to pursue their entrepreneurial dreams with the help of TOBCDC and NBCFDC.
