Rimjim Lahkar journey from being a participant of PM-DAKSH training programme to becoming a wage-employed Machine Operator is a great example of how skills training can help individuals achieve their career goals. Rimjim underwent training in the Certificate Course in CNC Milling job role organized through Tool Room & Training Centre, Guwahati, sponsored by National Backward Classes Finance and Development Corporation (NBCFDC) under Pradhan Mantri Dakshta Aur Kushalta Sampann Hitgrahi (PM-DAKSH) Yojana, which helped her develop the skills and knowledge required to work in the industry.

Finally her hard work paid and after completion of the training program, during a placement drive organized by Tool Room & Training Centre, Guwahati she got selected in ITC Limited as a Machine Operator with a monthly remuneration of 12,000/-.

At Present she is working in ITC Limited and her employer is very much satisfied with her performance. From support of PM-Daksh training program and assistance of NBCFDC, Ms. Rimjim Lahkar is now self-sustainable and supporting her family financially.

Many other candidates like Ms. Rimjim got benefited by the program under PM – Daksh scheme.
