He came to know from his friend that the training programme on cricket ball manufacturing to be held in PPDC, Meerut sponsored by National Backward Classes Finance and Development Corporation (NBCFDC) under Pradhan Mantri Dakshta Aur Kushalta Sampann Hitgrahi (PM-DAKSH) Yojana.

He visited the training Centre and was motivated by training officer, accordingly he enrolled himself in cricket ball manufacturing job role/trade through PM-DAKSH portal. He worked hard to develop manufacturing skills and showed his full efforts

towards the course syllabus during the training programme.

After successful completion of training programme, he has started his own work with the name of Shiv Sports at Meerut. He is earning around Rs.14,000 to 18,000 per month. He is working hard towards making his work successful and grow and is thankful for the training programme he has undertaken.
